*December 24th to the morning of December 29th is the first part , the afternoon of December 29th to January 4th is the next part

Assessment method:

Ordinary results: 20% attendance; 30% discussion posts in Daxia School (Review questions no less than 5 times in the discussion section of Daxia School, the teacher will not reply to the questions online but will be in the last section of the Q&A class and the students will discuss these questions)

Final Exam: Write no less than 3,000 words for a research paper, you can write about lessons from the theory, visits, or videos, accounting for 50% of the total grade. Students must submit before January 14.

Remarks:

The following courses require students to bring their Clicker:

Professor Cao Jingwen on December 24

On December 29 with An Zhen and Professor Chen Xiangqin

Professor Sun Li on January 4th

*** It is recommended that students also carry Clicker during the other teaching hours in order to prepare for class interaction.**

Fill in the questionnaire:

Please complete the questionnaire before the end of the Monday morning class.
